EXPERIENCE

Portfolio
www.sumitsekhri.com

Freelance
2009 - today

Web & Graphic Designer
Responsible for both client management and design services. Provided customers with website designs, branding and print media services.

Shopify
2013 - 2014

Front-End Developer
Assisted thousands of customers with front-end interface edits and customzations to client store-fronts using HTML, CSS, Jquery and Liquid. Managed themes in Theme Store to ensure they were kept up to date.

Shopify
2011 - 2013

Customer Success Manager
Provided marketing assistance to new entrepreneurs taking them from first sales to ad-campaings. Also provided technical training & webinars on Shopify software products.

EDUCATION

Lighthouse Labs
2015

Web Development
Vancouver, ON, Canada

University of Ottawa
2005 - 2010

Bachelor of Commerce, *Finance*
Ottawa, ON, Canada

PROJECTS

Ship It
Uber meets Shipments; Ship It is an application built to connect drivers and customers looking to ship packages within a city.

Stack: Ruby, Sinatra, ActiveRecord, Javascript, Materialize (HTML & CSS)

JS Casino
A classic casino game War built in Javascript. Allows the player to interact with bet amounts and game actions versus an artificial dealer.

Stack: Ruby, Sinatra, Javascript, HTML & CSS

Album Art Finder
An album artwork finder based on the Artist name and song titles. Dynamically fetches and displays the related artwork.

Stack: Ruby, Sinatra, ActiveRecord, Javascript, HTML & CSS

COMPETENCES & WHAT I LOVE

RUBY / RUBY
ON RAILS

UX & UI DESIGN

HTML5 / CSS3
& JAVASCRIPT

Addicted to both design and interaction. I strive to create functional yet beautiful websites and applications. I care about details as well as the big picture and try to create something exceptional. Looking to levearge my tech experience and expand my skills and knowledge in Front-Web Development. Apart from a computer screen you can catch me playing hockey or snowboarding but sometimes that can be done on a screen as well.

THANKS FOR YOUR TIME
